*An Association
of Independent Firms*

WHATEVER YOU NEED.

WHEREVER YOUR LIFE OR BUSINESS TAKES YOU.

As a member of IGAF Worldwide, Watkins, Meegan, Drury & Company brings the most robust association of independent accounting firms in the industry to bear on your business and personal needs.

Global Reach. IGAF Worldwide is a global accounting association, more than 150 independent member firms strong, connected across the entire U.S. and into 60 countries. Partners at IGAF Worldwide firms constantly share expertise and tools in order to improve operations and better serve clients.

Technical Depth. Because of IGAF Worldwide, we can promise excellence in meeting your requirements in any practice area, any industry, any personal issue. If our firm doesn't regularly handle your area of concern, there's an independent IGAF Worldwide member firm with deep technical knowledge and resources who we will call in to assist. Through IGAF Worldwide, your needs are never beyond our firm's reach.

Local Understanding. Each IGAF Worldwide member has deep roots in its local marketplace. When you engage an IGAF Worldwide firm like ours, we know your local concerns better than anyone else. And, when we reach out through the association to solve your far-flung needs, we connect you with people who intimately understand the rules and customs in the areas where you are, wherever in the world that may be.

No ramp-up time. No headaches. Just great service and excellent results, around the globe, in any area where you require assistance.

With Watkins, Meegan, Drury & Company and IGAF Worldwide behind you,
you have the power of Strength in Numbers.
